SUBJECT: National Board "VR" Certificate of Authorization

Dear Mr. Horton:

The National Board conducted an audit of your facilities for renewal of the National Board "VR" Certificate of Authorization on May 31-June 1, 2011. Your company demonstrated their quality control system for valve repair by successfully completing verification testing of sample repaired valves at the National Board Testing Laboratory on June 10, 2011. We are pleased to advise that you have completed all requirements for renewal of the National Board "VR" Certificate of Authorization.

Enclosed is your new certificate of authorization to apply the National Board "VR" repair symbol stamp to ASME Code symbol stamped/National Board capacity certified relief valves which you have repaired to the requirements of the National Board. Please note the expiration date: July 17, 2014. A renewal notice will be mailed six months prior to that date.
